

Congratulations
... the
conference was
really well
organised and
felt good

...appreciated the
opportunity to ask
questions of them [the
panel] and would like
that feed back shared
with them.

Thanks heaps for
the opportunity to
attend your

future.

Mara is a very inspirational and motivating speaker, extremely helpful ...

conference ...was
inspirationally fantastic!

Thank you for giving me the opportunity to strengthen my resolve to do the right thing I met many people who have already been involved in inclusive ed or are starting out.
