## AN INFORMATION SESSION EXPLORING THE LIFELONG BENEFITS OF, AND STRATEGIES TO ACHIEVE AN INCLUSIVE EDUCATION FOR CHILDREN WITH A DEVELOPMENTAL DISABILITY\*.

Family Advocacy is an independent and impartial advocacy organisation that works with families across NSW to promote and defend the rights and interests of people who have developmental disability\*

The organisation is managed and staffed by parents and allies of people with disability who recognise the issues families face and who can assist in strengthening the advocacy of families.

\*Developmental disability is a disability that occurs in the developmental period of a person's life (in the period from conception to adulthood) and includes intellectual disability, cerebral palsy, spina bifida, autism, and any combination of physical, intellectual or sensory disability.
