This brochure is produced for people who have disabilities and explains where they can obtain help if they have been sexually assaulted. **Keyword: Legal**

TAKING CARE OF ME

Sexual assault is when someone forces you to have sex when you don't want to.

It can make you feel very upset.

Tell someone if it happens to you.

There are people who can help you.

Sexual assault is when someone forces you to have sex when you don't want to.

◆
Sexual assault is when someone touches the private parts of your body when you don't want them to.

◆
Sexual assault is when someone makes you look at their private parts when you don't want them to.

◆
Sexual assault is when someone makes you touch the private parts of their body when you don't want to.

The person who does this could be:

- ◆ a member of your family
- ◆ someone you work with
- ◆ a friend
- ◆ a support worker
- ◆ a stranger

What they have done is wrong.

Sexual assault is not your fault.
