

ONE OF THE KIDS

Successful transitions through school webinars NIGHT TIME SESSIONS

With the right resources and support, all students with disability can have a positive and successful start and finish to their schooling journey.

These webinars aim to empower families through knowledge and ongoing support for successful student transitions. You will learn how to work collaboratively with educators to increase the well-being and school outcomes of your child as they move through the various stages of school. We will cover all key transition points.

Please choose the relevant transition point session when registering. Please note, you may register to more than one - it's free!

Tuesday 6pm - 8.30pm AEST
Transitions to Primary School

A great start to school sets students up for a positive education

April

16

Thursday 6pm - 8.30pm AEST
Transitions to High School

Building the foundations for students to be lifelong learners
