# Annual General Meeting

Join us after for a talk by Peter Symonds  
on the topic of employment

Employment still remains a significant barrier for many  
people with disability.

Peter will share his insights and knowledge gained  
from over 20 years of successfully supporting people  
with disability into paid employment.

**Friday 4 December 2020**

**1:00 pm -2:00 pm**

**Register to join via Zoom link**

Peter has worked in the disability employment sector since 1992.

Peter is the General Manager for Operations (Tasmania) for Possability a not for profit organisation. He is currently leading a project of transitioning participants who work in 2 Australian Disability Enterprises to community-based work as well as setting up school transition programs for people excluded from the formal employment system.

A firm supporter of the principles of Social Role Valorisation and with a passionate belief that all people, regardless of their level or type of disability have the right to work within their community, Peter has and continues to seek examples of best practice both in Australia and overseas.
