

# CUSTOMISED EMPLOYMENT WORKSHOPS WITH MILTON TYREE

**MAKING EMPLOYMENT A REALITY FOR PEOPLE WITH DISABILITY**

## ABOUT THE WORKSHOPS

International speaker Milton Tyree will be returning to NSW to deliver two face to face workshops on Customised Employment and the essential steps of Discovery.

### WHO SHOULD ATTEND?

We strongly encourage family members and decision makers within the disability employment sector to attend, as well as service providers, employment coaches, policy makers, educators and advocates of people with disability.

Is your family member experiencing barriers in finding the right job? Let's bust myths.

Not sure what Customised Employment means? Let's unpack this with Milton Tyree.

Have you been told by a service they provide a Discovery process? We'll explore the steps for success.

What is a visual resume and how do I complete one? We'll share examples of what this may look like.

## WORKSHOP SCHEDULE

The first day is an introductory workshop, outlining the essential elements of Customised Employment. During the second day, Milton will delve further into the process of Discovery, which is a fundamental step in the Customised Employment process.

### DAY 1: MONDAY, MAY 15

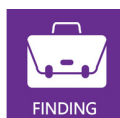

- Introduction to the essential elements of Customised Employment
- Distinguishing between Job Carving and Customised Employment
- Myth busting - Overcoming barriers to Customised Employment
- Describing Customised Employment to potential employers

### DAY 2: TUESDAY, MAY 16

- Deeper dive into the 'Discovery' mindset and process
- Understanding practical steps to gather and capture information on Discovery
- Utilising Discovery documents
- Developing a visual resume
- Understanding the importance of accurate descriptive writing

**You can register for one workshop or for both days. If you register for both days, you receive a discount!**

## ABOUT THE PRESENTER

### Milton Tyree

**Project Associate for the University of Kentucky  
and owner of Milton Tyree Employment  
Consulting, LLC**

Milton Tyree has more than 40 years of experience in the design, development and provision of supports and services centred on people with disabilities having access to valued aspects of everyday life. A particular area of interest has been the ongoing struggle around people with disabilities having good employment.

Milton's employment efforts have been strongly influenced by the work of the late Dr. Marc Gold, and he's an associate with Marc Gold & Associates (MG&A). He's also had extensive opportunities for study, work and teaching related to the late Dr. Wolf Wolfensberger's Social Role Valorisation (SRV) theory and its many implications for employment services.
