Educating children with and without disability in the same classes and schools. Covering:

- choosing a school
- school transition
- possible supports at school (emphasis on public system)
- communication skills and strategies for building positive relationships
- research about the benefits of mainstream education.

## AN INFORMATION SESSION EXPLORING THE LIFELONG BENEFITS OF AND STRATEGIES TO ACHIEVE AN INCLUSIVE EDUCATION FOR CHILDREN WITH A DEVELOPMENTAL DISABILITY\*

Family Advocacy is an independent and impartial advocacy organisation that works with families across NSW to promote and defend the rights and interests of people who have developmental disability\*

The organisation is managed and staffed by parents and allies of people with disability who recognise the issues families face and who can assist in strengthening the advocacy of families.

\*Developmental disability is a disability that occurs in the developmental period of a person's life (in the period from conception to adulthood) and includes intellectual disability, cerebral palsy, spina bifida, autism, and any combination of physical, intellectual or sensory disability.
